WHAT WE DO

Beavers is an import and export company specialized in food distribution based on over 20 years of experience.

Our strategy is to find the best quality at the lowest price by buying from manufacturers, in order to serve all kind of customers.

Beavers main customers are supermarkets, hotels, restaurants, catering companies and wholesalers.

Our products are chosen depending on each market and the country needs in terms of purchasing power.

Our food & beverage department present a large scale of products in fresh, frozen & canned food, as we also provide a large scale of bio and halal products.

Beavers can offer personalized products to each customer by ordering the quality, size and the labeling for each product as it fits it's own market.

Our aim is to serve you with the best products in the most professional way & especially by taking care of the whole process from A to Z, making sure the product is well delivered and reached it's destination in good conditions and freshness.

Beavers deals with over 100,000 products.

Research and Development of new and innovative products – i.e. sauces, preserves, ready-to-eat meals

A Reliable Business Partner...

Quality always comes first

For us it is of vital importance that our goods are with the best quality possible.

Always delivery on time

We understand that our clients are operating on tight schedules. That is why we take the delivery time as an essential part of our success as a company.

Value for the money

Although price is quite important, we believe that the lowest price possible cannot secure the sustainability of our business in the long run. That is why we strive to provide the best quality possible at the lowest price possible.
